1. Election Summary

Total Voters	14562	
Total Participated	12617	(86.64%)

Notes about the Results

Each Question (position) that voters choose a candidate for and click submit is essentially their vote for that position. As they progress through all positions, if they LOGOUT at any time during all questions up to that point are counted. That is why you will see as the run down through all questions to total participation per question will drop.

2. Independence Declaration

The Non-Resident Nepali Association - Australia Election vote has been managed and declared independent of NRNA NCC Australia.

No individual vote has been disclosed to NRNA NCC Australia.

The Election result has been audited and the declared result is assured.
